HM800 3.5" External HDD

## YOUR SMART TV'S BEST FRIEND

### HM800 External Hard Drive

Not only does the HM800 let you playback your favorite binge-worthy TV shows, movies, and sporting matches on your TV, but also lets you record them. Record to your heart's content with 4, 6, and 8TB of storage capacity and easily backup your content with the One-Touch Backup function.

#### Record Now, Watch It Later

Don't miss out on the big game or the season finale of your favorite TV show. Record them onto the HM800 and enjoy them on your smart TV later on.

#### Your Entertainment Library

With up to 8TB of storage space, you'll be able to cram in up to 10001 episodes of your favorite TV show or a mix and match of pretty much all your movies, music, and more.

Storage Capacity Up To

# 8TB

1,600,000<sup>2</sup> Photos

960<sup>1</sup> Hours

2,000,000<sup>3</sup> Songs

1 Based on 720P or 1080P HD resolution files with an average of 50 minutes per episode.  
2 Based on photos captured on a 10 million pixel camera with files size of 5MB.  
3 Based on a 4-minute song with a file size of 4MB.

## One-Touch Backup

The HM800 has a One-Touch Backup function that automatically backs up and syncs files with the press of a button, allowing you to store your precious moments with peace of mind.

## TurboHDD Accelerates Speed and Efficiency

Exponentially faster than USB 2.0, the HM800 integrates TurboHDD, applying custom profiles and algorithms to speed up data rates based on traffic and system resources.

## Features

- Supports TV Recording Function
- One-Touch Smart Backup and Synchronizing
- More Capacity You Want
- AES 256-Bit Encryption
- TurboHDD Software

## Specifications
