

EMIX H20 Gaming Headset

HEAR THE SOUND OF VICTORY

XPG EMIX H20 Gaming Headset

Having situational awareness is key to winning on the battlefield. Without it, your adversaries will gain the upper hand and ambush you when you least expect it. Tip the scales in your favor by being able to hear your enemies with the EMIX H20 gaming headset equipped with virtual 7.1 surround sound.

Positional Accuracy with Virtual 7.1 Surround Sound

With virtual 7.1 surround sound, the EMIX H20 will help heighten your situational awareness. Hear your friends and foes alike, whether in front of or behind you, and never be caught off guard.

Aural Immersion with High-Fidelity 50mm Drivers

The EMIX H20 utilizes 50mm high-fidelity drivers that deliver superior sound quality with a wide range, excellent accuracy, and optimized bass for total aural immersion.

Get in the Mood for Battle with RGB

Sporting a breathing, multicolored RGB lighting effect, the EMIX H20 will help put you in the right mood for victory.

Adjustable Microphone

Adjust the microphone position for the best effect to make sure the lines of communication with your comrades are open, and loud and clear!
